Clarion Call - England

By Jackie Magloire

The Clarion Call went out and on Saturday 23 February women came to the Cornerstone Church in Leyton— young and old, they came fasting to pray for the UK! They all wanted to be a part of this! What I heard constantly after the meeting was, "I had to be here!" We all knew this was to be no ordinary meeting.

There were four main areas of focussed prayer:

1. A Call to repentance
2. A Clarion Call to Christian women in UK to arise in prayer and intercession
3. Revival in the Church
4. Redeeming and discipling the nation.

Rev. Jennifer Wallace opened the

meeting with a call to repentance on behalf of Church and Nation. We cried out to God in repentance on our knees and faces. As we sought His forgiveness, the women wept and wept. The scriptures and songs fitted so well together you knew the Holy Spirit had initiated them

As we sang Graham Kendrick's Song, 'O Lord the Clouds are Gathering,' we cried out: "Have mercy Lord, Forgive us, Lord! Restore us, Lord! Revive your church again!"

Ann Dunn led the clarion call to women in the UK with prayers and shouts of AWAKE! ARISE! from fear, complacency, apathy and indifference! AWAKE! ARISE! to stand, pray and contend for the nation – our families, communities, villages, towns and cities. We did a prophetic act by moving from where we were each standing, and marching towards the north, south,

east and west, in response to the call. As we prayed I knew that the call will reverberate throughout the UK, and women would arise and 'march' to the north, south, east and west, praying and proclaiming Jesus! We look forward to the manifestation of this. Praise God!

We prayed for revival in the Church in the UK, a fresh outpouring of the Holy Spirit, bringing people to the knowledge and revelation of Jesus. We prayed for unity and oneness in the Church. It was a wonderful, awesome time and great to see women from different denominations coming together to pray and intercede in oneness for the Church and the UK.

We give God thanks for His Grace, His Mercy and everlasting faithfulness. Thank God for the QUIVER prayer initiative to bring this Nation back to God. We continue to pray that the nation will return to God and submit to His Word and will. ♦

CLARION CALL - WALES

By Chris Symonds, Llantwit Major, Wales

On Saturday 23 February we gathered in response to the clarion call to fast and pray for Wales and the UK. We were a small number but Jesus was there. We also sensed that we were linked with Quiver England and to those Quiver Wales ladies who pray on their own.

Ann Davies led us into prayer by sharing the meaning and the response to the sounding of the shofar. It was a surprising insight and connected with our prayer focus.

- ♦ *Tekiah* which is the wake-up call - get on with it, get your lives lined up with His will for you.
- ♦ The three-blasts of *Shevarim* to remind of brokenness of mankind by sin.
- ♦ Then *Teruah* which is the sobbing of repentance

and the longing of the heart to return to the Father.

After we proclaimed this we went into a period of repentance that was personally challenging. It was also heart-breaking to reflect how far the nation has drifted from its true perspective of our Maker and the Almighty God has been brought down to our smallness. We ended with the final long note of the shofar (*Tekiah Gedolah*) that brings hope of continuing redemption and salvation. The note of this *Tekiah Gedolah*, a single unbroken *blast*, will grow louder and stronger and clearer until the Lord Jesus returns.

The Lord then spoke clearly out of I Peter 4:7-11. (*This is paraphrased*) The end of all things is near so be clear minded and self-controlled so that you can pray. Love each other, use your gifts for each other, administer God's grace in its various forms, speak the very words of God and do all in His strength - so that God may be praised through Jesus. May this overflow in the Quiver ladies. ♦

Clarion Call – Scotland

By Debbie Stark, Edinburgh

We had an incredible morning coming before our precious Lord and bringing our requests to Him! We met at 8am and spent some time preparing ourselves to come before the King of kings. We read and shared scripture together which led us into a time of confession and repentance for ourselves, our families, our churches, our communities and country. There were many tears in laying our hearts bare in front of each other, creating an atmosphere of vulnerability, and trust.

This brought us to the perfect place in praying for women! We sensed a shift take place within us during this time of prayer...in embracing our femininity and treasuring that we were truly made in God's image. This was a pivotal moment within the prayer time, as our lenses changed from "fear and oppression" to radiance and beauty!

As we prayed for the Church and revival in our Land we recognised that a shift took place in our hearts and a rising up of our spirits in knowing that God had heard our cries. We began to pray with such courage and conviction to see His kingdom come!

Chains were broken, hurts were healed, mindsets shifted, fears evaporated, passions burned....it began in us! We began by sensing that we were in a dry and desert land, but the wilderness was becoming a fruitful field!

Be still before The Lord and wait patiently for Him to act. ♦

QN Interview

Quiver News (QN) speaking to Jaleesa (J) and Sarah, (S) University students, who attended the QUIVER Clarion Call prayer and fasting meeting in London on 23 Feb 2013

QN: How did you find today's meeting?

S: It was brilliant. You know it's one of the things you know that God has put on your heart to pray about, and although we knew about Quiver before, it was probably in the last few weeks that we've been drawn to pray for the UK. I have been touched by today; even the verse I was given to read, God gave me that verse for Quiver and I have been praying it.

J: God has put it on my heart to pray for revival in the UK - the scriptures I was given to read today both were on revival! Powerful! It's exciting to see what God is doing.

QN: There were four key areas of Prayer: Which of those were your focus?

S: Repentance of the Nation. For me that's what God has put that on my heart; and for righteous government to come back to the UK. Since January I have been praying about that. He has really impressed that upon me.

J: Revival in the Church and Revival in the Nation and also the government. When I look at the position the government is taking on gay marriage, this really upsets me.

QN: The common perception is that young people do not care, nor bothered about what goes on in the UK. What do you say to that?

S: I don't agree with that. I don't agree with that at all. That's a lie right out of the pit of hell. I believe both young and old disagree with what's been happening in the government.

J: We have been encouraged by what has happened in this meeting today. As young women we are going to ARISE in Christ. ♦

Jackie's Corner

QUIVER Co-ordinator

A couple of weeks ago Rev Jennifer and I went to visit our friend and Wales Quiver Coordinator, Christine Symonds. It rained, and rained but the warmth of Christine and her home were comforting. She had had a minor operation and we went to spend some time with her in fellowship and encourage her through this time. Praise God she is walking, sometimes with the aid of a stick! We continue to pray for her total healing and restoration.

We are encouraged by the work taking place in Wales, Quiver is well received in the communities and thank God for giving us Christine who is faithful to the vision. There are many women in Wales who have continued to pray for many, many years to bring revival to Wales. They pray at home on their own and with friends; groups of three and five praying together to bring Wales back to God. There's always be a remnant!

We had a wonderful time and will return to Wales in the next few months.

♦ Christine's home is located on a hill and but for the houses in front, we would see the sea! ♦
