## OUR PERSUASION!

By Rev Jennifer Abigail Wallace  
QUIVER Convener

Recently, I had a meeting with the Uganda Country Rep of our ministry Women In Tune. She was in the UK on a short visit and we got together to discuss our mission to Uganda next month.

God has opened a great door for us in Uganda and we now have access, with the backing of the leadership of the Body of Christ in Uganda, to disciple, equip and empower women to rise up and build the 'ruins' of their homes, families, communities and nation, through the Gospel of Jesus Christ

As we talked, I remembered the prophecies I had received within the past 10 years concerning the work the Lord would use us to do in Uganda. God had given a picture of revival, a vision of a New, True, and Christ-centred Church emerging from the pain and brokenness of the people. The vision given was of the Bride of Christ, beautiful, clad in her bridal garments and prevailing and triumphing over the gates of hell until a new nation emerged. God had also made it clear that this would only happen through the empowering of both His Spirit and His Word.

In 2009, we embarked on our first mission to Uganda. Four years later, to the praise and glory of God, a solid foundation has been laid for Him to fulfil His vision. It has taken much

prayer, much fasting, much intercession and warfare to come this far. It has taken much preaching, teaching and sharing of the word of God to lay this foundation. It has taken dedication, commitment, perseverance and sacrifice, not just from us in the UK, but especially from the faithful women in Uganda who embraced the vision of a new Church and nation and took on the responsibility to carry and birth it

What has this got to do with QUIVER?

1. This has persuaded and encouraged me that God who began this work (QUIVER) is faithful, and He will fulfil His vision. The same God who has been with us in Uganda is with us in the UK.
2. I am assured that the vision which the Lord has given us of revival in the UK shall surely be fulfilled. We see a fresh outpouring of the Holy Spirit and a fresh revelation of Jesus Christ, the Word of God coming upon the church in the UK. We see a new Church arising, Spirit-filled and led, united, vibrant and triumphant, boldly fulfilling the Great Commission. We see women in the UK rising up, an integral part of this movement, praying, warring and raising the banner of Jesus Christ in the land. If God can do it in Uganda, God will do it in the UK
3. It will take much prayer and fasting, intercession, warfare to accomplish this. It will take much sharing, teaching and preaching of the word of God to bring this to pass. It will take dedication, com-

# My Experience With QUIVER

By Ann Dunn  
(QUIVER London)

**B**renda and I arrived at the Cornerstone Church on Saturday 6th July for the QUIVER Prayer Breakfast and thought; "It's a bit quiet here!"

Then I suddenly realised that the venue was not here today but at Shernhall Methodist; I hope no-one else was caught out in this way.

We had a lovely continental breakfast and fellowship with one another. There were ten of us to start with. The programme started with praise and worship. Rev Jennifer then brought us a word based on Hebrews 6:1, which says, "Therefore, leaving the discussion of the elementary principles of Christ, let us go on to perfection..." She encouraged us to come up in our knowledge of Jesus Christ and went on to speak about what it meant Jesus being King of Kings and Lord of Lord - He is the great Potentate of the universe. This emphasises the solitary nature of Jesus Christ's dominion, rule and power over the all creation, the earth and the nations. (1 Tim 6:15; Rev 17:14; Rev 9:16)

Rev Jennifer then looked at Psalms 24 and particularly at the **gates** (our gates are the gates of culture – language, family/marriage, government, socio-economy, education, media/arts and religion). The **gates** ask the question "Which King" (*Who is this King of Glory*). Our response is the **Lord Almighty He is the King of Glory, El Gibbor, The Lord God our Hero**. The gates asked again, and our response is **the Lord of Host, Jehovah Sabaoth**. These are the war names of God, which the gates respond to.

Rev Jennifer used a beautiful example of the remote control and the TV and that God has put His remote in us, His authority, to which the gates must respond. In Wales QUIVER were told that it is with the constant knocking that the door opens. Rev Jennifer expounded on how we need to speak to situations, but it is not enough to speak, we cannot speak our own words, we need to be sitting in God's Counsel (*Jer 23:18*) and

hearing what He is saying then speak what we hear being said; the angels respond to His words and work on our behalf to bring to pass what God has said. This is the kind of praying we need to be engaging in now.

We must also press in with worship and the word, knowing that what heaven has bound is what we are binding here on earth because we are merely praying into effect, "*Thy Kingdom come, Thy will be done here on earth as it is in heaven.*" We must, therefore, now leave the elementary things and come into maturity concerning the things of Christ, (Who He is, what He is about and who we are in Him), and the only way we are going to do this is by coming into His presence and waiting to hear from Him.

There was then a time of intercession in which I felt the strong presence of God, we all naturally went to our knees, some prostrated. This was followed by declarations being made by Rev Jennifer and worship naturally followed on.

More people joined us during the morning. We left with a sense of progress being made in the heavenlies. We now look to putting into effect what we learnt. We also look with eagerness to receive a copy of the recorded section of the day. ♦

## Isaiah 52:7

How beautiful upon the  
mountains  
Are the feet of him who  
brings good news,  
Who proclaims peace,  
Who brings glad tidings of  
good things,  
Who proclaims salvation,  
Who says to Zion,

### A Kingdom Lifestyle

Our lifestyle and worship (our journey and relationship with God) is more important than ministry. This is because everything flows from our relationship with the Father, the Son and the Holy Spirit. Without this, there is absolutely nothing: no power, no authority, no provision. Nothing! We have to embrace the kingdom lifestyle, embrace the Word of God. We must first live kingdom lifestyle, then we'll have the gifting, provision and fullness of God.

*'The LORD is near to all who call upon Him, to all who call upon Him in truth.'* - Psalm 145:18

Jesus lived with the same limitations that we have, but He was in right relationship with God, and He performed miracles, signs and wonders because of that. Jesus promised us before He went to the Father that we would do greater things than He did. To come into the fullness of that promise, we need to learn to abide in Him, to accept our smallness and His awesome greatness, and find our place in His plan for our lives.

*"Seek the Kingdom of God above all else, and live righteously, and He (GOD) will give you everything you need."* - Matthew 6:33

Therefore, to live Kingdom lives we have to set our sights higher - set our affections on things above and not on the earth beneath (Col 3).

As you walk in faith with Jesus, He will show you everything you need to know to live this life of fullness. He is the life; it is He, living in you that guarantees all the abundance required for life and ministry. You cannot help but bring forth good fruit if you abide in Him. A life lived in God, wholly focused on Him, will always be fruitful.

There is a need to move into Kingdom ways, patterns and plans. It is time to surrender to the real life in God! ♦
