BIRTHING REVIVAL

## HOPE: THE MESSAGE OF THE SEASON

By Rev Jennifer Abigail Wallace  
QUIVER Convener

This time of the year always brings to mind the wonderful love of Jesus Christ, the Child born and Son given to redeem, restore and re-connect humanity to God. Joy fills our hearts as we recollect the angels' message to the shepherds,

*"Glory to God in the highest,  
And on earth peace, goodwill  
toward men!" - Luke 2:14*

Yes, our hearts are filled with joy, and hope rises up as we remember afresh the New Day and New Dawn upon humanity. Yes, hope rises up again!

And hope is what we need at this time. We cannot afford to lose hope as we pray, intercede and battle for this nation. The past two years have been very challenging for QUIVER, as we have pressed on with the assignment given to rally the women of the United Kingdom to pray for revival in the land. We have had every reason to quit, and would have quitted, but for HOPE!!!

...Hope that our Sovereign God is STILL on His throne and reigns over the nations, therefore, He is in control. ...Hope that He will remain faithful to us and His word, as we remain faithful to this calling. ...Hope that the power of the Cross and Resurrection of Jesus Christ has

not diminished and is able and available to deliver and redeem man from sin unto God. ...Hope that the Gospel of Jesus Christ remains the only solution to the problems of this nation. ...Hope that the Church will rise again, strengthened, empowered and in unity, to proclaim the Good News. ...Hope that the Light will shine in the darkness and illuminate this land again! Yes, hope that the Kingdom of God - righteousness, peace and joy in the Holy Ghost - will be made manifest in this land again!!!

So, for all our hopes, we hold on to the HOPE that, one day soon, THE WIND OF REVIVAL SHALL BLOW AGAIN IN THIS LAND, as God the Father pours His Spirit afresh upon His Church and this land again!

O, what a glorious HOPE!!! Indeed, we cannot afford to give up hope! So in 2014, we will continue praying and calling upon women in the UK to rise up and pray. We will continue training and giving them the skills of prayer. Our desire is that more women will rise up to join us, but if that tarries, like Gideon and his 300 men, we will still march on in HOPE.

So, as you enjoy the season and are reminded of who Jesus is, may hope be stirred up afresh in your heart. May it strengthen you to raise the Banner of Christ higher and higher for all to see. Yes, may the Banner of Jesus Christ be lifted up over our families, communities, villages, towns, cities, and the nations of the United Kingdom. Indeed, our God reigns!!!

**MERRY CHRISTMAS  
AND A HAPPY AND  
PROSPEROUS NEW YEAR**

## MY EXPERIENCE OF THE QUIVER DAY OF PRAYER

By Jen Gaskin  
Chelmsford

The QUIVER Day of Prayer took place on Saturday 30 November at Pilgrims' Hall in Brentwood.

The day began with worship and a reading from Isaiah 52: "OUR GOD REIGNS!" Indeed HE does! Let us have no doubts about that statement. Rev. Jennifer Wallace spoke and I am just going to mention a few things that really resonated with me, with my innermost being....deep calls unto deep.

### 1. WAKE UP WAKE UP.....!!!

God has brought Rev Jennifer to the UK and led her to stay and rally the women to prayer for our nation. It 'scares' me as it seems like millions of people are totally unaware of just where we are in these end times. Yet, the Lord knows exactly where we are, and His call through His minister and prophet is, "WAKE UP! WAKE UP!"

Rev Jennifer reminded us of the many areas where we have sunk low as a nation, going against the will of God. As we turn away from the ways of Almighty God, we can look out 'over the fields' and see that our harvest is definitely what we have sown as a nation.

### 2. SHAKE THE DUST OFF

(I loved this example) `Dust collects when there is no movement'. In other words if the people of God will wake up, and

## MY EXPERIENCE OF THE QUIVER DAY OF PRAYER

seek God and take up the battle in prayer and be persistent fighters in this war, then the dust will not have a chance to cover us. Everyone needs to take their place.

### 3. BATTLE FROM THE PLACE OF REST

God created the world and everything in it.....then He rested. Jesus came from heaven to earth and was crucified. He declared, "It is finished" He then took His seat at the right hand of God. Ephesians 2v6 reads "and God raised us up with Christ and seated us with Him in the heavenly realms." OH WOW, we engage in spiritual warfare from the heavenly realms.....seated with Christ.....at rest.

### 4. PRAY FOR YOUR COUNTRY AS THOUGH IT WERE YOUR DAUGHTER.

Well I have had reason over the last year to pray for one of my beautiful daughters in particular. Oh how we pray from the heart on these occasions, how we seek the Lord with weeping. How we easily prostrate ourselves before the Lord. The Lord says "Rend to me your hearts not your garment." My prayer is that I will have a steadfast and earnest heart in prayer for the nation. For my City....

Once again I felt so challenged by the day at Pilgrims Hall. Challenged about my time... Challenged about deeper commitment... Challenged not to keep silent and therefore giving free speech to opposing voices. I recently read that a man recited the 23rd Psalm and got an encore. After he finished he went over to a man in the audience and put his arm round him and said "I only recited the Psalm but this man knows the Shepherd." We too need to have relationship with the Shepherd, to know His Voice, to follow His direction.

Thank you Rev Jennifer for your encouragement, for your perseverance, for your living example to us of 'prayer warfare,' and for coming to the UK. ■

## Jackie's Corner

By Jackie Magloire  
QUIVER Coordinator

The real source of the problem in our land today is **spiritual**. We have **declined spiritually**. We have turned away from having faith in God and His commandments - we have broken them all - and **that** is the underlying problem in our land.

So, because it is a spiritual problem, it is going to take spiritual people with spiritual information to provide the answer. We need to see the situation as it really is, it's not just political, or economical; we need to pray above the political and economical things.

I read somewhere that when God starts judging a land the first thing you see is breakdown in family life, breakdown in morality, a breakdown in law and order and so on. If we do not move swiftly, the situation can only get worse. Read Judges 2:11-15 and you can see the problem begins with rejection of God.

However, judgement must begin in the house of the Lord. (1 Peter 4:17). It all starts with us. If we are going to proclaim that as a nation we must live by God's laws, then we have got to start doing it ourselves, and that means return to the Word and ways of God.

BUT, be encouraged, what we are seeing in our land is not the end of things! We as Christians can do something to change and reverse what is going on: we can return to being salt and light as we are meant to be.

The answer to our nation is in our hands. The church has the answer, but it must use the answer. In addition to preaching the gospel, we are to be watchmen in the land. God put us in this land to pray for it and be involved in it as His representatives. People say "God isn't speaking anymore, so I can't do what He says," meaning that they have no instruction from Him. He has spoken by His Word, the real issue is whether we are obedient to what He has written.

Ezekiel 33:6 says, "But if the watchman

sees the sword coming and does not blow the trumpet, so that the people are not warned, and the sword comes and takes any one of them, that person is taken away in his iniquity, but his blood I will require at the watchman's hand."

The time to intercede for this land is NOW!!! The time for the Watchmen to Stand on the Walls of this land is NOW!!!

"I have set watchmen on your walls, O Jerusalem; they shall never hold their peace day or night. You who make mention of the LORD, do not keep silent, and give Him no rest till He establishes and till He makes Jerusalem a praise in the earth." - **Isaiah 62:6-7**

**"It is the constant knocking that breaks the rock!"**
