## ENLARGING THE PLACE OF YOUR TENT...

By Louise Ekuban  
Sureway Church, London

That was the theme for the QUIVER event "Lunch With Linda Patton" on 8th March, however, as the events of the day unfolded the words "all it takes is a little effort to make a huge difference" kept ringing in my ears.

After a wonderful time in praise and worship Rev Jennifer Wallace asked the question, "Women from Africa, why are we here?" We are here to be midwives to the women in the United Kingdom! They brought us the gospel and it is time to pay back with our time, effort and sacrifice. It is time to rise up and PRAY; to repent and ask for mercy."

So here's the question - when are we going to pray? Isaiah 32:9-10 "Rise up, ye women that are at ease; hear my voice, ye careless daughters; give ear unto my speech. Many days and years shall ye be troubled, ye careless women: for the vintage shall fail, the gathering shall not come."

The time is now! God gives grace, so what are we waiting for? Rev. Jennifer pointed out that there is going to be an awakening in the UK, it has already started and that we need to be ready.

We all took part in group discussions, highlighting what we can do to spread the gospel and the steps we can take to make a change in our society. One of the discussion points was focused around the factors that might limit us from extending our influence beyond our families and churches, with a majority of the women pointing out that a lack of confidence and the fear of offending were huge factors.

*Be encouraged, the Lord is our confidence - Proverbs 3:26, so we need to step out with boldness, desire and passion. Everything we need is in Christ Jesus. He has given us everything that pertains to life and godliness.*

We were encouraged to get physical with prayer – walk our streets and pray, and to pray consistently and diligently in small groups or independently – either way PRAY. This is what QUIVER is all about. Women of God, we need to **PUSH - Pray Until Something Happens**

## MY QUIVER PRAYER DAY EXPERIENCE

By Sylvia Burrows  
South London

The QUIVER Prayer Day was held on the 8th of February at Cornerstone Church, Leyton. It was my first attendance, and

I was not disappointed, as it was powerful, life changing and even more than I could have imagined. I woke early in preparation, praising and thanking God for His goodness and unfailing love and asking Him to bless the Quiver Groups established to pray for the UK.

The morning started with warm greetings, a welcome from Rev Jennifer Wallace and a Prayer of Thanksgiving from Psalms 93: 1-2. This was followed by worship – we sang and lifted our voices to the Lord.

We were then encouraged to "pray and touch heaven, let our voices be heard!" Can you imagine "Let's pray and touch heaven!" Matthew 18:20 came to mind "For where two or three are gathered together in My name, there am I in the midst of them". Rev Jennifer quoted Job 26:14 "And these are but the outer fringe of His works; how faint the whisper we hear of Him! Who then can understand the thunder of His power?"

The voice of the Lord is mighty in all areas throughout the world and even in a whisper it can be heard by His people. We must pray for Justice and Restoration in Jesus Name throughout the

## Enlarging The Place Of Your Tent...

We can all do something to make a difference; all we need is a bit of discipline, the desire and of course the Holy Spirit.

We often hear about enlarging our coast or territory and the usual scripture reference quoted is 1 Chronicles 4:10, "Jabez cried out to the God of Israel, "Oh that you would bless me and enlarge my territory! Let your hand be with me, and keep me from harm so that I will be free from pain." And God granted his request." Equally in Isaiah 54:2-3 it talks about spreading abroad to the right and left.

However Linda brought the word to us from another dimension. To enlarge the place of our tent we need to clear the ground. We have to do something different to move forward. Doing the same thing to expect a different result is insanity. We must have a plan, and that is, to go to God for His plan concerning us.

We are entering a new phase and there are specifics for every woman. There is therefore no need to copy what someone else is doing, however we need to keep moving forward and flowing with the Holy Spirit. Psalm 37:7 encourages us to rest in the Lord and wait patiently for Him; enlargement starts with desire.

However, we first need to de-clutter our lives and do something new, de-clutter from inside out. "Depending on how much of the world we give up determines how much we can clear out. Sometimes you don't know what weight we have been carrying till we get rid of that weight"

We need to evaluate relationships. Our relationship with God comes first, then family, then work or service. We need to remain victors in Christ not victims – sticking with God is always a winning combination. We can therefore do more with less – less of our natural abilities but more of the Holy Spirit's guidance.

We need to mentor one another, iron sharpens iron. Having negative thoughts abandons goals! Galatians 5:1 talks about the freedom we have in Christ Jesus. We ought to break controlling habits and not permit them and insecurities to prevent us from reaching our enlarged territories.

Let us change, let us focus our energy not on fighting the old, but on seeking the new. Nehemiah 3 talks about the re-building of the wall. Everyone did their bit to contribute towards the completion of the task. We all have a part to play in the Kingdom and God will give us creative ideas to meet the sphere He wants us to, so let's continue to step out in faith through prayer. ■

## MY QUIVER PRAYER EXPERIENCE (contd)

United Kingdom. We are the Servants of the Lord to carry out His perfect will and plan for His people and for the nations. We must rise up and be heard. Isaiah 42:1-6

We prayed and entered into warfare for the nation and our prayers, I am sure, were heard in Heaven and throughout the earth. There was just a group of us gathered and the presence of the Holy Spirit was so real it was tangible - just imagine if the body of Christ came together as one – and declared the Word of the Lord. The glory of the King could not be contained – what a life changing experience it would be to His Kingdom and His people. Every knee would bow and every tongue would confess the greatness and glory of the King of Kings and Lord of Lords.

You have to know the God we serve. He is forever faithful, His Grace wonderful. His Grace is more than sufficient, and I haven't touched on His peace, kindness, gentleness and generosity.

Thank you Jackie and Rev Jen for sharing such an awesome experience.

After leaving the meeting I sat in my car for some time just trying to digest all the spiritual food I had received. I no longer want to be content to just sit, I want to receive all His goodness, I want to hear His voice more and more "even in a whisper." I must run in pursuit, seek the Lord with a passion and spread the good news of His love.

Thank you Rev Jennifer for birthing the Ministry and thank you so much Jackie for sharing about QUIVER and touching my life and the lives of others. ■

### Pray On

By Babbie Mason

*When your questions go unanswered  
And your prayers may seem in vain  
They don't seem to make a difference  
They don't seem to make a change  
Just rest assured God knows your needs  
And He hears each time you pray  
Your prayers are reaching Heaven  
And the answer's on the way*

*Pray on,  
For you are who the Lord is looking for.  
Pray on,  
Tear those mighty strongholds down.  
Stay on your knees,  
For this is where the battle is won.  
There's no better place for you to be,  
Then seeking the Father prayerfully  
Very soon you'll win the victory.  
PRAY ON!!!*
